Hub Cafe - Sat 12th February

This will be the first one of the New Year as we had to cancel the January one due to Covid. We look forward to welcoming you back.

Informal Craft Evening - Thursday 10th February, 7:30pm-9pm

informal craft night. We trialled our first one in January and about 12 people came, working on projects like embroidery, sewing and knitting. Don't feel shy about coming on your own as this is a perfect way to meet new people in the village. Oh, and the lighting for intricate work is really good! No need to book, any questions to claire.plumbly@hotmail.co.uk. Donation of £2-3 to cover hall hire and refreshments.

The Hub Car Park

You may be aware the Hub car park currently has restricted capacity, due to the safety concerns of the mud coming through the grids in the parking bays. The very wet weather has had a major impact and we are looking at the options available to improve the surface. We apologise for any inconvenience caused. We are working on a possible solution and will open the car park to full capacity as soon as we are able

Dog fouling

Unfortunately Dog Fouling still remains a problem in the Parish, please see details below where you can report it to Somerset West & Taunton Council, so they can take action.

Dog owners or walkers must, by law, immediately remove their dog's poo from land where people have the right to walk or enjoy. If you can't find a dog waste bin, you must take the bag home and dispose of the waste appropriately. We know most dog owners are responsible, but some dog owners, or walkers, do not clean up after their dogs. Dog fouling is one of the problems many people complain about across the country. Dog mess looks horrible, smells and can spread disease. In extreme cases it can cause blindness. If you can give us proof that someone's not picking up after their dog, if you want to report a heavily fouled area, or you spot a full or damaged dog bin, then tell us using the 'something else' section of the general enquiry online form. Please follow link:

A WELLINGTON TO TAUNTON CYCLE ROUTE BY 2025!

There will be a mass cycle ride between Wellington and Taunton on Sunday March 20th. It will be a fully escorted ride along the A38, the direct route between the 2 towns. This is normally a dangerous experience for cyclists, but the ride will provide a truly safe means of travel - cyclists in single file protected by vehicles front and back of the columns and marshals on the side.

The ride will finish at Sheppey's Cider, where all shall meet and hear from candidates for the upcoming elections, to pledge their support for a dedicated cycle track alongside the A38 between Wellington and Taunton. There is only one dedicated, off-road cycle route in the whole of Somerset: The Strawberry Line. Devon, by contrast, has the Tarka Trail, the Exe Estuary Trail, Drake's Trail, The Granite Way, Ruby Trail, Stover Trail, Wray Valley Trail, Dartmoor Way and the Devon Coast to Coast. Dept. of Transport modelling has shown that there would be 600 additional cycle journeys daily between Wellington and Taunton, if there was a dedicated off-road cycle route between them. Many more people would be able and willing to commute between the two towns by bicycle rather than car. A full feasibility study has been carried out by Stantec which will inform where the route will be placed. A suitable and safe cycle path between Wellington and Taunton will encourage more active travel to promote mental health and wellbeing as well as physical health. It will also help to reduce carbon emissions and contribute towards reduction of the greenhouse effect.

W2T is a joint Taunton Area Cycling, Wellington Wheelers and Citizens UK Somerset Campaign.

visit the website and find out more: <https://www.w2tcyclepath.co.uk>

Bishops Hull Parish have been asked if 10 cyclists would like to join this ride on Sunday 20th March. If you are interested in joining this ride please contact Jill Amos – jhamos61@gmail.com

The Bishop's Hull Jubilee Dinner Dance – Saturday 4th June

We are in the early stages of planning the 'Jubilee Dinner Dance', however, I did want to give you the date for your diaries and to offer you the opportunity to express an interest in attending, prior to tickets going on-sale. The Dinner Dance will be open to Bishop's Hull residents, together with their guests, and will be ticket only. Here's a rough guide to what's planned...

- Location: To be held using both a marquee on the playing field and The Hub.
- Arrival time: 19:00 for 19:30
- A glass of Bucks Fizz or Orange Juice on arrival.
- You'll be seated on a table of 8 people and enjoy a cold buffet style two course meal.
- Coming on your own? No problem, you will be made very welcome.
- There will be a bottle of white and red wine on each table.
- Live music.
- Disco music will play when the band are taking a break.
- BYO (bring your own) drinks, this will dramatically reduce the overall cost.
- There may be a bar serving Beer, Lager and Cider.
- Dress code – Will be themed on the Jubilee. Smart but use your imagination.
- Tickets will be priced in the region of £20-£25 each.

Please note, all of the above is only a guide as to what to expect and is subject to change.

This is not a fund raiser, however any profits that are made from the event will be distributed to our local charitable trusts. This will be a popular event, so if interested please let me have your details in advance and I'll make sure you receive notice as soon as the tickets go on sale. Email me: John@BishopsHull.com

Take care, **John Hunt**

Musicians wanted!

If you are an amateur musician and would be interested in playing in Bishops Hull as part of the Queen's Platinum Jubilee celebrations (2nd – 5th June), please contact Jill Amos jhamos61@gmail.com giving details of who you are, whether an individual or group, the type of music you play and your availability during the weekend. Many thanks.
